## **NEW COUPLE ALERT!! Rapper 50 Cent Was Photo'd Out With His New Girlfriend . . . And They Were Riding The NYC Subway Together!!**

Like  Tweet  

March 26, 2014: Never let it be said that 50 ain't a MAN OF THE PEOPLE. Our friends over at Hip Hop Weekly managed to get photos of him riding the subway with a latina model named Sally that we assume is his girlfriend.

But don't get it F\*CKED UP . . . 50 still knows how to FLOSS like a true BALLER. He was later photo'd with Sally in his new Lamborghini Aventador.

Curtis Jackson oops I mean 50 Cent or what the he\_ill ever he calls him self is 40 years old and he need to dress like a 40 years old man, instead of dressing like a 16 years old boy. A lot of Black men over age 25 have the mentality of a child, and you wonder why other race groups have no respect for Black men in America.

The same fools trying to clown 50's outfit, probably cosigned that moist f\*uchery Omar Epps wore on The View", as "real fashion". In terms of 50 being "irrelevant", the brotha is worth over \$100M, doing boxing

promotion and movies. I just saw him in a movie with Sylvester Stallone & Arnold Schwatzenegger. In terms of rap, 50 isnt Nas or Eminem lyrically but he's better than Soulja Boy, Waka Flocka, Chief Keef and most of these corny skinny jeans wearing @zz lames. Speaking of that, because he's 39-40 y.o he has to wear suits and Dockers now. 50 is a street dude and I would question his fashion decisions if he was wearing skinny jeans with a tight hoodie. I'm a little younger than 50 and I wouldnt wear that hoodie or my hat cocked to the side per se, but the jeans and kicks are legit.

It's a video shoot. He is still kicking it with Holly. BTW Holly is in his next video called "Smoke" from his upcoming album Animal Ambition"

Chell313

And on that note of this being a video shoot, of course he and/or his staff send these pictures out to stir up talk to get people interested in his upcoming album.

Fif went to Instagram to vent on the matter, dubbing Sally a "Thirsty video b\*tch." He continued expressing his belief that Sally had sent photos to Mediatakeout to boost her buzz and also warned the industry not to work with her. He then added another caption under the photo, advising everyone that a new video is on the way. "Big FAIL, super thirsty, new shoot this week coming. Unbelievable #smsaudio #Animal Ambition," wrote 50.
